

PENNSYLVANIA GUILD OF CRAFTSMEN

FALL 2021

# FINE CRAFT FAIR

RITTENHOUSE SQUARE

As the president of the Board of Directors of Pennsylvania Designer Craftsmen, the sister organization to the Pennsylvania Guild of Craftsmen (PGC), which is tasked with overseeing our Fine Craft Fairs, I welcome you to our Fine Craft Fair in Rittenhouse Square! I am thrilled to be here exhibiting as a Master Artisan Member of the PGC and am overjoyed that all of you can be here as well. My love of Fine Craft began when I was in high school and first joined the PGC. Having been a member for more than 20 years, I have served on both boards; I have taught classes in glass and jewelry at our headquarters in Lancaster PA; and I have exhibited at our Fine Craft Fairs here in Philadelphia and throughout the Southeastern Pennsylvania Region. Nothing makes me happier than sharing my love of Fine Craft with others. I hope you enjoy the selection of Fine Art and Fine Craft that our Fine Craft Fair Manager and VP of Standards have gathered for this event.

Welcome to our Pennsylvania Guild of Craftsmen (PGC) Fine Craft Fair! If you have previously come to one of our events - welcome back! If you are a first time visitor I'd like to extend a warm welcome. A PGC Fine Craft Fair is a feast for the eyes and I know you will find an abundance of unique, beautiful, handmade work as you stroll and shop. We have juried a skilled group of member-exhibitors and I hope that you take some time to meet these artists and feel the passion they have for their craft. Our artist-member exhibitors along with our volunteers and you, our customers are what make our Fine Craft Fairs so successful. If you are not already a member, but love fine craft please visit our website at [www.pacrafts.org](http://www.pacrafts.org) or stop by the PGC Booth to talk to someone about all the opportunities we have for you.

**Karen Peiffer**  
**President of the Board of Directors,**  
**Pennsylvania Guild of Craftsmen**

Hello and welcome to our second Fine Craft Fair of 2021. I am thrilled to be doing my Fine Craft Fair Manager (FCFM) job again after such an unpleasant and long time when “my artists” and “my collectors” had to be separated because of the pandemic. Boy, has it been a long time!! I know the artisan exhibitors are looking forward to again interacting with each other and our wonderful collectors. Personally, I’m giddy with excitement – like I have never done this before! The belly butterflies are active to say the least. It is my greatest pleasure to bring you the most talented artists from across the country. I hope you enjoy the collection of artists and their work and I know you will find something to take home that will fill your heart with joy!
